School Symbol

School Goal

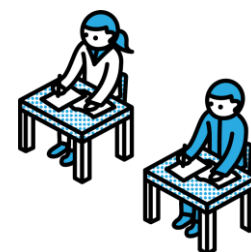

**“Best performance* of sustainable mind and body
: aiming for independence and autonomy”**

*The “Best performance” does not aim for a perfect mind and body. While having weaknesses, we will do our best to enrich ourselves, others, and the world.

Image of Future Students

1. Compassionate students who can cherish themselves' and others' mind and body
2. Students who can think and act individually while coexisting with others

School Education Goal

1. To foster students who are strong both physically and mentally as well as being rich in heart.
2. To improve basic academic ability and nurture students who act on their own.
3. To value each other's human rights and foster students who develop together with their peers.
4. To foster students with a global perspective while valuing connections with the community.
